

KNIGHTS OF THE ROUND TABLE

PARTICIPATION FORM – 4th, 5th, 6th Grade

In order to participate in The Knights of the Round Table it is necessary for you to complete this commitment form and return it to the office or your teacher by **Thursday February 16**. If you or your parent has any questions please call Mrs. Kredel at 515.6652.

I would like to make a commitment to be part of The Knights of the Round Table. This group meets regularly to encourage friendships between all students. I will also participate in activities that support and encourage students in Kaiser's regionalized Deaf and Hard of Hearing Program. I understand that I must have a parent's signature in order to participate. This commitment will extend through June 2007.
